<i>Materials to have on hand</i>	1,965	2,270	1,990	2,650	2,726	3,234	16
<i>Other maintenance and repairs</i>	4,752	5,771	7,392	3,523	5,793	5,326	11

NA Not applicable

<sup>1</sup> The expenditures given for each specified type of job consist of those outlays which have been identified as being primarily of the specified type. Thus, expenditures for one type of job done incidental to another type are included under the latter classification. For example, the relatively minor cost of painting done in conjunction with a roofing job is included in the roofing category.
